Week07/Receipt/Week07_Mission_Receipt.pdf

CONFIRMATIONS

Final workbook preserves Raw and query; Report responses completed. Both PDF pages and query screenshot reviewed; GitHub access checked.

NEXT ACTION

Save this receipt, commit and push again. Submit the same GitHub repository home URL in the actual Week 7 Canvas assignment.

This receipt records acknowledgments and learner confirmations.
It does not establish understanding, file accuracy or a grade.
Canvas keeps the official submission, dates and grade.
